

Day 1

## REALLOCATE Twinning Visit Bologna

### Neutral, safe and sustainable school district ANNALISA, BONI, DEPUTY MAYOR OF BOLGGNA

山

Bologna's path to climate neutrality is about transforming how we work as a city, integrating mobility, energy, and culture, and engaging citizens in the process.

9

REALCICATE

# REAL COCAL ENSING LE?

03.04.2025 Filla Auditorium, Bologna

Through collaboration with local schools, associations, and citizens, we're bringing natural-based solutions to life in urban areas, creating vibrant spaces for all.

## EALIQE ATER

ROAD SAFETY

#### **BOLOGNA CITTA' 30**

Bologna is the first major Italian city to become City 30. From July 1st 2023, the maximum speed limit on all urban roads in Bologna has gone from 50 to 30 kilometres per hour, with the exception of the main communication paths where it has remained at 50 km/h. BOLOGNA CITTA 30

# Bolgona accessibility planning & gender policies

#### **Demolition of Archictechtural barriers**

#### **Creating a 'Gender Atlas'**

# Featuring Barcelona's accessibility plan & gender mainstreaming

# Bologna's Plan for the Removal of Architectural Barriers (in MOBILITY An, Piano di Eliminazione delle Barriere Chitettoniche, shortened in PEBA) is used by municipalities to survey their properties (either open DEPARTMEENUI Ings) and consequently plan actions, in BOLOGNA

 It's an analysis of the actual state it surveys, describes and classifies the barriers
It's almost a viability study

EALLOICATER

it suggests technical solutions and their estimate

The tram is an accessibility enhancer – allowing people with disabilities to move from the outskirts to the city center with ease

#### 

City spaces must be designed through the gaze of a woman and of the most vulnerable populations, and they must respond to their needs.

# A Constitute of People with Disabilities - Barcelona City Count

Barcelona has been committed to integrating accessibility into all city departments and ensuring that people with disabilities are empowered through inclusive urban planning

#### Fostering behavioural change NUDGD

## What are the biggest accessibility challenges your city faces?
